## Costs of the EHR-certified Software

Additional types of costs or fees (whether fixed, recurring, transaction-based, or otherwise) imposed by a health IT developer (or any third-party from whom the developer purchases, licenses, or obtains any technology, products, or services in connection with its certified health IT) to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of capabilities to which health IT is certified; or in connection with any data generated in the course of using any capability to which health IT is certified.

- One-time license fee, applicable per provider.
- One-time cost/each integration setup-integration fee for each health information exchange such as Lab Interface, HL7 Interface, Immunization Interface, Imaging Interface, etc., where applicable.

- SAAS Model Cost: Clients pay a fixed monthly fee per provider to use the software and services as stated in the signed contract.
- Relied Upon Software is included in overall costs.
